## 永遠懷念前會長 李健鴻醫生, MBE

It is with deepest sorrow for the HKMA to learn of the passing of Dr. LEE Kin Hung, MBE, former President from 1994 to 1998 who played a pivotal role in the development of the HKMA, on 22 June 2023 at the age of 88.

Dr. LEE studied medicine at The University of Hong Kong and graduated in 1958. He became a Member of the Royal College of Obstetricians & Gynaecologists in 1965 and a Fellow in 1984. In addition to being the former President of HKMA, Dr. LEE contributed to the development of the HKMA for over decades through serving in various leading roles as Honorary Secretary (1970-1982), Council Member (1984-1985), Vice-President (1985-1986, 1990-1994), and Immediate Past President (1998-2000). Dr. LEE was the first Past President of HKMA to be elected as the Chairman of the Medical Council of Hong Kong during 2000-2003. Greatly respected for his foresight and leadership, Dr. LEE was a benign gentleman beloved by the HKMA and the medical sector to the core. The warmth of his personality and the legacy he left will long live in the memory of the HKMA community.

We salute Dr. LEE'S life and achievements and extend our heartfelt sympathy and condolences to Dr. LEE'S family and friends.
